Leave your bikes there and take the ferry boat to the other side of the lake, to the UNESCO World Heritage village Hallstatt. After your round walk in Hallstatt you take the ferry back to the train station and we recommend to take the train back to Bad Ischl. From Bad Ischl you cycle back to Strobl.

Start your tour in Strobl and cycle to St. Gilgen. Continue over the mountain Scharfling (short but steep ascent) past the Lake Krottensee till you reach Lake Mondsee. You can drive to the village Unterach at lake Attersee and drive back 3,5 km to the lake Mondsee where can continue your round tour. Go back over the Scharfling and continue to St. Gilgen and

Strobl to your accommodation. Both lakes are inviting for a refreshing bath or a boat tour.
