## Lehár Festival Programme

### ORPHEUS IN DER UNTERWELT

Operetta by Jacques Offenbach

**Premiere** 4 July 2025

**Venue** Congress & TheatreHouse Bad Ischl

When the famous can-can is danced in hell, when godfather Jupiter disguises himself as a fly to seduce his adored Euridice, who in turn becomes bored with her husband and is abducted by Pluto, the devil himself, when the Greek gods in heaven become rebels - and all this in front of the eyes of public opinion, then, dear audience, you are in the universe of Orpheus in the Underworld.

This masterpiece with the incomparable music by Jaques Offenbach is considered to be the ultimate operetta and is certainly one of the funniest and most frivolous ever written.

Intendant Thomas Enzinger will stage this ingenious, hilarious centrepiece of the operetta and bring it to the stage in Bad Ischl for the first time.

## NACHT IN VENEDIG

Operetta by Johann Strauss

**Premiere** 12 July 2025

**Venue** Kongress & TheaterHaus Bad Ischl

He is one of Austria's greatest sons and the king of the golden operetta era - Johann Strauss! In 2025, we celebrate his 200th birthday and invite our audience to a dignified celebration and a trip to Venice!

With cheerful comedy of mistaken identities, gondola romance and Mediterranean flair, there is guaranteed to be not a dry eye in the house when Baron and womaniser Guido von Urbino invites you to his legendary masked ball.

Johann Strauss created an unsurpassable musical masterpiece with "Eine Nacht in Venedig", which makes us dream of bella Italia, glittering balls and romantic nights with immortal melodies such as Frutti die Mare, Alles maskiert, or Komm in die Gondel and loving local colour.

## DIE BLAUE MAZUR

Operetta by Franz Lehár

**Premiere** 8 August 2025

**Venue** Kongress & TheaterHaus Bad Ischl

With "The Blue Mazur", we present a Lehár operetta that has never been performed in Bad Ischl in the long history of the festival.

The Viennese Countess Blanka von Lossin is unhappily married to the Polish Count Olinski, who shows too much interest in a dancer. But it is the dance that will bring the couple back together, because when Julian Olinski renounces his exuberant past life, he asks his wife Blanka to dance the "Blue Mazur", proving that his heart belongs to her alone.

You can look forward to classical waltz melodies, lively buffo duets and, of course, lively dance rhythms, as the mazurka gave the operetta its name.
